PROFESSIONAL EXPERIENCE

Freight Data Validator 09/2023 – 07/2026

Expedock | Quezon City, Philippines

- Audited and validated 100+ AI-processed shipping, customs, and billing documents daily at 100% accuracy, catching discrepancies before they reached client records.
- Applied SAP, CargoWise, Excel, Google Workspace, and AI tools (ChatGPT, Gemini, Copilot) across high-volume documentation, billing, and validation workflows.
- Communicated with international clients via email on shipment status, billing, and documentation issues.

Business Support Assistant 09/2020 – 12/2022

DSV Lead Logistics | Quezon City, Philippines

- Verified and posted 50+ vendor invoices daily in SAP with zero processing backlog, coordinating with overseas offices, carriers, and logistics partners.
- Audited freight invoices from cross-team and international partners against contract terms prior to client billing.

Process Expert, OTC FNA / Dispute Resolution Specialist 09/2009 – 02/2020

Maersk Global Service Centres | Quezon City, Philippines

- Processed 100+ customer account and payment transactions daily in SAP Accounts Receivable, maintaining 100% invoice accuracy across a decade-long tenure.
- Investigated and resolved 30+ billing disputes daily through root-cause analysis, coordinating with finance and operations to issue refunds and account credits.
- Maintained a 97% Customer Satisfaction (CSAT) rating across chat and email while resolving billing and technical inquiries within strict SLA targets.
- Managed an average of 60+ support tickets per day using Salesforce, maintaining clear audit-ready communication records.

Professional Development – AI & Productivity Upskilling 12/2022 – 09/2023

- Upskilled in Excel, Google Workspace, and AI-assisted tools ahead of transitioning into data validation and audit work.
